Professional Profile

Analytical, self-taught, and proactive professional. I am looking for an opportunity to improve my knowledge and skills mainly on cloud technology and DevOps.

I've graduated in Computer Network Technology, and post-graduate in Network & Telecom. I have experience working with Windows Server, PowerShell, Linux, Shell Script, Firewall (PfSense), DHCP, DNS, Web Server (Apache2), VPN (Open VPN), WSUS, WDS, MDT, Active Directory (includes GPO), and virtualization on Hyper-V and VMware.

Besides my experience, I also have knowledge of Python, Flask, MySQL, SQL Server, Shell Script, Git, Sourcetree, Jenkins, Vagrant, Ansible, Puppet, Docker, Docker Swarm, ELK Stack, Office 365, Azure (Virtual Machines), and AWS (EC2, VPC, Auto Scaling, RDS, S3, ECS/ECR, CloudFront, and Route 53).
